RHEUMATIC PAIN **ALL OVER BODY**

This Man Suffered Constantly; Says the Plant Juice **Gave Complete Relief**

LIKE DIFFERENT PERSON

"Your Plant Juice has relieved my rheumatic suffering and stomach and kidney trouble and has made a different man of me, after many other medicines had failed to do me any good, and I surely think Plant Juice is a wonderful medical preparation

and I gladly recommend it to every sufferer," said Mr. John Lotter, well known resident of Toledo, Ohio, living at 908 East Broadway, that city, while talking recently with The Plant Juice Man_ "I had rheumatic aches and

pains all over my body and suffered constantly," Mr. Lotter continued. "And my stomach had gotten into very bad condition so that it hurt me all the time and brought on awful spells of bloating. My kidneys were badly disordered; I suffered all the time from constipation; was restless and pervous and couldn't sleep and a catarrhal condition was developing in my head so that I had a buzzing sound in my ears. In fact, I was just about completely 'down and out.'

"Then I heard of your Plant Juice and started taking it and want to say that it surely brought wonderful results in my case. It's the truth that every had condi-tion I suffered from before had left me and I actually feel like a different man. The rheumatic aches and pains have disap-peared; I sleep fine and that buzzing has left my ears. My stomach and kidneys are greatly improved and I eat well and have been relieved of the constipation.

"Yes, your Plant Juice surely did me a wonderful lot of good and after all of this I do not heshate to recommend it to every suffering person." Plant Juice is sold in Lima by

Nominee Attacks Opponents in Speech at Albany

ALBANY, N. Y. - (By Associated Press) - Driving further north and west into New York state from Albany to Utica for an address today and thence to Syracuse for en evening meeting, John W. Davis, Democratic presidential nominee, continued today his attacks against the Republican party, its record during the Harding and Coolldge administrations, and his appeal for sup-port of the voters for the Democratic national and state tickets in the November elections. At the same time Davis reiterated his opposition to the administration's foreign policy, charged that the navy had deteriorated in efficiency below the 5 5-3 ratio tized by the Washington armament conference and reviewed other subjects touched upon in

his address here last night.
Theodore Roosevelt, Jr., came in for a passing reference in Davis Albany speech. The Republican gubernatorial candidate, Davis said, would find him-self embarrassed if he continued to praise the party he represent-ed for negotiating the paval re-duction treaty and defend it for allowing the navy to fall below the 5-5-3 ratio which the treaty Mention also was made of Secretaries Hughes and Mellon, one relating to the address Ohlo when Hughes said the issue with the almost overnigh of the campaign was whether opment of popular radio. in office and the other describ- Announcement by Secretary ing the treasury secretary as a Hoover of the personnel of seven defender of the "aluminum trust," cited by Davis as being one of the outstanding beneficiaries of the Fordney-McCumber

LIKE DIFFERENT PERSON

"Your Plant Juice has relieved my rheumatic suffering and stomach and kidney trouble and has made a different man of me, after many other medicines had failed to do me any good, and I surely think Plant Juice is a wonderful medical preparation

MR. JOHN LOTTER and I gladly recommend it to every sufferer," said Mr. John Lotter, well known resident of Toledo, Ohio, living at 908 East Broadway, that city, while talk-ing recently with The Plant Juice

"I had rheumatic aches and pains all over my body and suf-fered constantly," Mr. Lotter continued. "And my stomach had gotten into very bad condition so that it hurt me all the time and brought on awful spells of bloat-ing. My kidneys were badly disordered; I suffered all the time from constipation; was restless and nervous and couldn't sleep and a catarrhal condition was developing in my head so that I had a buzzing sound in my ears. In fact, I was just about completely 'down and out.'

"Then I heard of your Plant Juice and started taking it and want to say that it surely brought wonderful results in my case. It's the truth that every bad condition I suffered from before had left me and I actually feel like a different man. The rheumatic aches and pains have disappeared; I sleep fine and that buzzing has left my eare. My stomach and kidneys are greatly im-proved and I eat well and have

been relieved of the constipation. 'Yes, your Plant Juice surely did me a wonderful lot of good and after all of this I do not hesitate to recommend it to every suffering person."

Plant Juice is sold in Lima by the Hunter drug stores, 49 Public Square and Main and Wayne streets; and at the Argonne drug store, oppo. Post Office.

BELOW RATIO, HE SAYS

Nominee Attacks Opponents in Speech at Albany

ALBANY, N. Y. - (By Associated Press) - Driving further north and west into New York state from Albany to Utica for an address today and thence to Syracuse for en evening meeting, John W. Davis, Democratic presidential nominee, continued today his attacks against the Republican party, its record during the Harding and Coolidge admin-istrations, and his appeal for sup-port of the voters for the Democratic national and state tickets in the November elections. At the same time Davis reiterated

his opposition to the administration's foreign policy, charged that the navy had deteriorated in efficiency below the 5 5-3 ratio fixed by the Washington armament conference and reviewed other subjects touched upon in his address here last night.
Theodore Roosevelt, Jr., came

in for a passing reference in Davis' Albany speech. The Republican gubernatorial candidate, Davis said, would find himself embarrassed if he continued Mildred Farrar, Arlington, Mass. to praise the party he represented for negotiating the naval reduction treaty and defend it for allowing the navy to fall below the 5-5-3 ratio which the treaty fixed. Mention also was made of Secretaries Hughes and Melien, one relating to the address made by the secretary of state in Ohio when Hughes said the issue of the campaign was whether Mr. Coolidge should be continued in office and the other describing the treasury secretary as a Hoover of the personnel of seven defender of the "aluminum trust." cited by Davis as being one of the outstanding beneficiaries of the Fordney-McCumber

As election draws near, more and more interest is being shown in the race for sheriff in Allen-co. The contestants are Sheriff Crosson and Clarence Fraunfelter, former deputy in that office under Charles

Crosson, while running for re-election, probably will have more trouble this fall than in the previous election. He has managed to "put his foot" in things in his own party as well as with those of the opposite faith. He has been charged with carrying water on both shoulders in the matter of law enforcement and this has served to create a great deal of dissension where that issue plays a part—and that is almost the entire county.

S UCH GLORIOUS SILKS! Shimmering colors and shadowed black! Of and shadowed black! Of course you'll want a tunic dress. Everybody is wearing them! But you'll want something different from the things that everybody else wears. You'll want to buy the silk where there are so many fabrics for your choice. It will be a simple matter to have the tunic made by your dressmaker, or you may even want to make it yourself. A tunic is unbelievably easy to make, when you consider how effective it is when it's finished, and how smart Paris has made the tunic ensemble.

In the mornings, soon, you'll slip out of your slim tunic negligee-a soft, peach-colored brocaded crepe, with flowing panels of shaded rosy georgette-into a street costume with a tunic of bengaline banded with Persian embroidery.

And before dinner, when you get a final glimpse of yourself in the mirror, attired in a dinner gown that is a glorified tunio—a tunic of scintillating chiffon-velvet, trimmed with an elegant band of fur that will contrast gorgeously with the soft autumn shade-vou know that you have found THE TUNIC—that is, until it's time to don the tunic negligee again. And you must surely see these tunic fabrics at Feldman's before you choose your tunic.

> Total Miles driven 4600 Miles Per Gallon Gasoline . 26.2 Miles Per Gallon Oil . . . 1416

The car made 137 stops at railroads, boulevards, crossings, etc. In addition 5 hours and 51 minutes of time in the seven days and 7 nights were consumed in changing drivers, greasing and oiling car and getting gasoline.

Taking into consideration the time and gasoline consumed while car was standing still, the record made by this wonderful new Overland is phenomenal. An average year's driving at total cost of less than \$35.00 for gasoline

YLIMALENE is a perfect water softener; and , also a wonderfully efficient cleansing agent. In the dishwater, for instance, Climalene cuts the grease and makes the dishes quickly shine without soap.

Or put a teaspoonful of Climalene into a kettle of boiling water, and drop your tarnished silverware into it for five minutes. You will be astonished at the shining success of this further proof of Climalene's magic cleansing qualities.

So everywhere Climalene is performing its twofold purpose of softening water instantly, perfectly, harmlessly; and of cleaning as well, whether it be dishes, fine fabrics, woodwork, tile, or the tender human skin.
